

## **Addendum to BLS for Healthcare Provider Curriculum – Michigan**

This addendum to EMS Safety's Basic Life Support (BLS) for Healthcare Provider curriculum is effective October 4, 2018.

**Requirement:** Instructor-to-Student ratio for a BLS for Healthcare Provider course may not exceed 1 Instructor to 6 students (1:6). A BLS course that exceeds a ratio of 1:6 will result in non-acceptance of the certification by the Michigan Department of Health and Human Services (HHS), Emergency Medical Services (EMS).

**Applies to:** EMS Safety's current and future Basic Life Support (BLS) Instructors in the state of Michigan instructing the BLS curriculum to Emergency Medical Services personnel.

**Purpose:** Per the Michigan Department of Health and Human Services, Emergency Medical Services, a BLS for Healthcare Providers course must meet the Instructor-to-Student ratio of 1:6 for a BLS certification to be approved for Emergency Medical Services personnel.
